23rd August 2011

Dear Mr President

I have been considering for some time my role as Secretary of the Harpenden Society a position that I have held for over 4 years. It is with considerable sadness and regret that I have decided to resign from that position with effect from 1st October 2011. This has not been an easy decision to make. However, I am quite prepared to continue my work on the Committee actively involved in 'Public Order' something to which I am most experienced and for which I will have greater time to give.

*Committee
Meeting 5/9/11
Withdrawn*

It has been an enormous pleasure and privilege to serve as your Secretary with a prestigious Society formed over 80 years ago, having such a rich history and a proud record of achievements. Our Town is fast-changing and the range of activities to be met is extraordinarily diverse and challenging of which latterly I have enjoyed my part. The Society has an active role to play for the betterment of the Town in the future.

I am pleased to offer my continued services and support to the Society for the future; to the Committee in its efforts and endeavours in striving to rise to the new demands, and to the membership that it may continue to increase in numbers.

You have a Civic Society of which to be justly proud.

Very best wishes

Peter Barrett

Ps I am happy to continue as your representative at ANTAS personally attending two meetings and 2 exe. meetings annually if the annual fee, meals and travelling costs, etc incurred are met by the Society, as they are at present. I will report to your Committee.

Withdrawn.
