Dear Member,

AUTUMN MEETING

The Autumn Meeting of the Harpenden Society will be held on Tuesday, 20th October at 8 o'clock in the Small Public Hall, when a talk will be given by Alderman B. Marsden-Smedley, O.B.E., Chairman of the Chelsea Society and formerly Mayor of Chelsea. His subject is "The Work of the Civic Trust" - a new organisation to promote good town and country planning and to fight "subtopia" - and the Committee hopes that both speaker and subject will receive the support they deserve.

The resignations of Mr. Barlow as Hon. Secretary and Mr. Hennessey as Hon. Treasurer are announced with regret, and cordial thanks are extended to them for all the valuable work they have done. I am glad to say that Mr. John Wyborn (10 Roundwood Park, Harpenden. Tel: 4210) has consented to become Hon. Secretary and it is hoped that the Hon. Treasurer-ship will soon be filled.

It is noted that there are still some unpaid annual subscriptions. If yours is one of these you are invited to place it in the Society's box at Kingston House Stores.

Yours sincerely,

G. B. M. SCUTT

Chairman
